

## **Primary Election Procedures**

For a Primary Election, Polls are open from 12:00 Noon to 9:00 p.m.  
Inspectors need to report at 11:30 a.m.

**In a Primary Election a person can vote only in the party in which he or she is enrolled.**

1. For a Primary, all eligible voters enrolled in each party having the primary will be in separate poll books labeled by party.
2. If the voter is so qualified, give her or him the appropriate party I.D slip to give to the Inspector at the voting machine.

The voting machine Inspector will then set the voting machine using the primary lever to the voters political party to permit voting in that person's appropriate primary.
